Small and Medium Breeds

Chicken Formula

Sizes available: 3 kg, 7.5 kg, 15 kg

- A protein and fat-rich formula with less fiber that is specially adapted to the smaller digestive systems of small and medium-breed puppies.
- Contains sundried tomato pomace, an excellent source of vitamins and lycopenes, a powerful antioxidant.

Ingredients

Chicken meal, brewer's rice, ground yellow corn, chicken fat naturally preserved with mixed tocopherols, corn gluten meal, beet pulp, dehydrated whole eggs, sundried tomato pomace, whole flax seeds, lecithin, natural flavor, monosodium phosphate, canola oil, choline chloride, calcium propionate, mannan-oligosaccharides, *Yucca schidigera* extracts, vitamins and minerals.

Guaranteed Analysis

Crude protein: 28% (minimum)

Crude fiber: 3.5% (maximum)

Crude fat: 18% (minimum)

Moisture: 10% (maximum)
