

FRESH DUCK
CHICKEN-FREE 🐔

Product Info

hypoallergenic

1st Choice – HYPOALLERGENIC formula is designed to meet the needs of adult dogs with allergies, food intolerances or who must avoid grains.

1. **Tasty, low allergenic animal protein source** > fresh duck
2. **Easy to digest** > highly-digestible fibers (lentils, peas, sweet potatoes, flaxseed), grain-free, gluten-free source
3. **Promote healthy skin and coat** > salmon oil, vitamin E
4. **Nourish the gut flora and improves stool quality** > prebiotic fiber balance

Food intolerances may cause itchy skin and gastrointestinal discomfort (chronic diarrhea, constipation, stomach aches).

The HYPOALLERGENIC formula is gentle on the digestive system and well tolerated by sensitive dogs. An effective formula, improving animal comfort and life quality!

CHICKEN-FREE, GRAIN-FREE, GLUTEN-FREE

Easy to digest, it's the ideal solution for dogs with food sensitivities.

SENSITIVE STOMACH

The carefully chosen ingredients and prebiotic fibers makes this formula gentle for the digestive system.

OPTIMAL OMEGA-3 AND 6 RATIO

Provides healthy skin and a shiny coat to dogs with sensitive skin.
