**The 1<sup>st</sup> Choice – FINICKY formula is designed to satisfy the taste buds of fussy adult cats. It contains all the nutrients and energy they need.**

1. **Provides essential animal protein and amino acids** > fresh chicken, chicken meal and herring meal.
2. **Helps maintain a healthy weight** > optimal protein content (30%) and fat content (20%)
3. **Helps control urinary pH** > sodium bisulfate, DL-methionine
4. **Helps eliminate hairballs by natural means** > natural fiber (pea fiber, beet pulp, dried tomato pomace)

Our best tasting formula ever! Fussy cats love food that's bursting with flavour. The combination of chicken and herring is particularly appealing. Since finicky cats sometimes eat smaller amounts, this formula contains targeted levels of protein and fat to make sure they stay active and keep a healthy weight.

**EXCEPTIONALLY TASTY**

A distinct and enhanced flavour that is appreciated even by the fussiest cats.

**ENERGY**

Helps provide more energy for better performance and healthy weight maintenance.

**pH – URINARY CONTROL**

Helps prevent crystal formation and maintain a healthy urinary system.
